

Accessibility Statement

IMT Residential is committed to making its website usable by all people, including those with disabilities by meeting or exceeding the requirements of the Web Content Accessibility Guidelines 2.1 Level A/AA (WCAG 2.1 A/AA). We strive to make our site an equal experience for everyone.

We continue to monitor our site and make sure that all content provided is accessible to all visitors. In order to help us in this process, we have engaged [The Bureau of Internet Accessibility](#), an accessibility consulting company, to conduct a full accessibility audit consisting of both automated and manual testing of our website using BoIA's A11Y[®] platform which provides us with specific recommendations that will assist us in ensuring that our Web presence is in conformance with the WCAG 2.1 A/AA.

We are dedicated to meeting all of your accessibility needs. Should you have specific questions or concerns about the accessibility of this site or need assistance in using the processes found within this site, we have trained individuals here at IMT Residential to assist you.
